Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: We have discussed a claimed limitation of determining throttling amount using a measure of computational processing power. It seemed that the last office action as filed on 3/15/06 overlooked the particular claimed limitation. Therefore, the Examiner will thoroughly review Tucker's reference, and determine if the Tucker's reference meets the above claimed limitation. Finally, as a courtesy, the Examiner will notify Mr. Ernest of My findings on the Tucker's reference, before sending out the next office action.
